Photography Exhibit by Carol Stauffer Coming to Toms River Library

TOMS RIVER – The Toms River Branch of the Ocean County Library will host “Vision Quest”, an exhibit by local photographer Carol Stauffer, throughout February in the McConnell Gallery.

Nature has been a source of inspiration for Stauffer all her life. The Toms River native began exploring the natural world around her in rural Pennsylvania with a Brownie camera. Stauffer’s deepest desire is to inspire people to open their eyes and hearts to receive the beauty, harmony, and wisdom of nature.

Stauffer discovered the spiritual nature of her work while pursuing degrees in education, dance therapy, and massage therapy, studying the connection between body, mind, and spirit as vehicles for self-expression.

The branch is located at 101 Washington Street.

“Vision Quest” is free and open to the public. For more information, call the branch at 732-349-6200 ext. 5100 or visit theoceancountylibrary.org/events.
