Learn Magic from 'The Amazing V' at Ocean County Library Long Beach Island Branch

SURF CITY – Prepare to be wowed, and learn a little magic to amuse your friends. Get a front row seat for “Magic Lessons with the Amazing V!” at the Ocean County Library Long Beach Island Branch, 6 PM Wednesday, July 19.

A longtime Ocean County favorite, The Amazing V will entertain youngsters and their families with his interactive performance, and will illustrate how some of his crowd-pleasing sleight-of-hand maneuvers are done.

When he isn't performing illusions, The Amazing V teaches science in the Toms River Regional School District. Fascinated by magicians from an early age, he entertained his own children with magic, and kept learning. He credits his school experiences in helping him to craft engaging, educational and energetic performances.

Please register at www.theoceancountylibrary.org/events to attend this free program, open to everyone aged 6 and older. For more information, stop by the OCL Long Beach Island Branch, 217 South Central Avenue, Surf City, or call (609) 494-2480.
