Adults and Kids Can Build Their Own Teddy Bears at Ocean County Library Long Beach Island Branch

SURF CITY – Hey kids, how about a new teddy bear, handmade by you? Adults, we know that you like plush toys, too. There will be workshops for each at the Ocean County Library Long Beach Island Branch, 11 AM for children, 2 PM for adults, Saturday, July 29.

Debbie Pease of Premier Picnics & Parties will help you to build your new soft best friend, special gift, or new member of your plush toy collection.

All materials will be provided for the workshops, sponsored by the OCL Long Beach Island Branch and Friends of the Island Library.

Please register at www.theoceancountylibrary.org/events to attend one of these free programs. Children should register for the morning program only. Adults should register for the afternoon program only. Space is limited. Each person attending, regardless of session, should be registered individually.

For more information, visit the OCL Long Beach Island Branch, 217 South Central Avenue, Surf City, or call (609) 494-2480.
